ONCO-PULMOCON-2023

Dear Colleagues,

The Department of Pulmonary Medicine, under the auspices of the Thoracic Oncology Disease Management Group (DMG), Tata Memorial Centre, Mumbai is organizing **1st TMC National Conference on Onco-Pulmonology and Interventional Pulmonology (ONCO-PULMOCON 2023) from 22nd to 24th September 2023, at Tata Memorial Centre, Mumbai** (Asia Pacific Regional Training Centre in Onco-Pulmonology and Interventional Pulmonology).

The goal of this academic programme is to introduce pulmonologists and oncologists to the respiratory issues and dilemmas that are prevalent and often unique to cancer patients and to inculcate awareness amongst both, pulmonologists and oncologists alike, regarding the important role of a pulmonologist in a multi-disciplinary team (MDT) member in synergy with Oncologists. Though the Conference is oriented towards Pulmonologists, it is open for trainees and specialists across all Oncology specialties.

Onco-Pulmonology is accorded very limited exposure in Pulmonary postgraduate training programmes. Keeping this in mind, **we have planned a virtual pre-Conference Lung Cancer Symposium on the preceding weekend, Sunday 17th September 2023 on lung cancer** to bring participants upto date on basics of lung cancer management. This will be followed by the on-site Conference on day 1 (open to pulmonologists and oncologists) and 2 days of hands-on workshop on Interventional Pulmonology (restricted to pulmonologists) from 22-24 September.

There will be unlimited global access for the Virtual pre Conference Lung Cancer Symposium. Given below is an outline of the proposed academic programme and the registration fees. **Registrations open in June 2023.**

Save your dates for this unique academic programme in Onco-Pulmonology!!

Team Pulmo TMC

ONCO-PULMOCON-2023

Course Patron

Dr. R. A. Badwe
Director,
Tata Memorial Centre,
Mumbai

Dr. C. S. Pramesh
Director,

ONCO-PULMOCON-2023

Preliminary Scientific Program

Friday, 22nd Sep 2023

08:00 am - 08:30 am	Breakfast and Registration
08:30 am - 09:00 am	Inauguration and Introductory Talks
08:30 am - 08:45 am	National Cancer Grid
08:45 am - 09:00 am	Lung cancer management through the decades: From Nihilism to Cautious Optimism
09:00 am - 10:30 am	Decoding Lung Nodules
09:00 am - 09:15 am	Lung cancer screening overview
09:15 am - 09:30 am	Indian perspective on screening
09:30 am - 09:45 am	How to approach a nodule?
09:45 am - 10:15 am	Case based discussions
10:15 am - 10:30 am	Q & A
10:30 am - 10:45 am	Tea Break
10:45 am - 12:25 pm	Interstitial Dilemmas in Oncology
10:45 am - 11:45 am	Pulmonary toxicities - Panel discussion
11:45 am - 12:15 pm	ILD and Lung Cancer - The Deadly Duo
12:15 pm - 12:25 pm	Q & A
12:25 pm - 12:55 pm	Prehabilitation to Palliation in Oncology
12:25 pm - 12:40 pm	Prehabilitation in pulmonary oncology

ONCO-PULMOCON-2023

Preliminary Scientific Program

Friday, 22nd Sep 2023

12:40 pm - 12:55 pm	Palliative Interventional Pulmonology – Underutilized & Underrated: Evidence & the Gap
12:55 pm - 01:25 pm	Pleural Oncology
12:55 pm - 01:10 pm	Mesothelioma
01:10 pm - 01:25 pm	Approach to Malignant Pleural Effusion
01:25 pm - 02:00 pm	Lunch break
02:00 pm - 03:00 pm	Microbiological Landscape in Pulmonary Oncology
02:00 pm - 02:15 pm	TB and Lung Cancer
02:15 pm - 02:30 pm	Opportunistic Pulmonary Infections in Oncology
02:30 pm - 03:00 pm	Case based discussion
03:00 pm - 04:00 pm	Unravelling the secrets of the Mediastinum
03:00 pm - 03:15 Pm	Thymoma: Pulmonologists perspective
03:15 pm - 03:30 pm	Demystifying IgG4 disease
03:30 pm - 03:45 pm	Mediastinal Fibrosis
03:45 pm - 04:00 pm	Q & A
04:00 pm - 04:15 pm	Tea Break
04:15 pm - 05:30 pm	Pulmonology Potpourri - A spectrum of interesting clinical cases
05:30 pm - 06:15 pm	Industry Sessions
